

Situation

Access

The center is positioned at the crossroads of the 3 valleys Barétous, Aspe and Ossau. It lies beside the river Aspe surrounded by mountains and sits at the gateway to Spain. The center is 6 kilometers from Oloron sainte Marie, and at the entrance of the Aspe valley. The center also touches the Pyrenees Natural Park where now live the last Pyrenean bears.

Means of access

	Pau Uzein airport
	Pau with connexions for Oloron
